### PROJECTS

#### TrendWolf Solo Project

[jbernesser.me/trendwolf](http://jbernesser.me/trendwolf)

- An Elm Web Application that tracks popular, trending, and recent fonts from Google
- Utilizes my Rails API hosted on Digital Ocean to deliver content from the Google API
- Incorporates WebFontLoader to dynamically load and style each respective font asynchronously

Tech Stack - Elm, Rails, WebFontLoader, Digital Ocean, GitHub Pages

#### Eccentric - Photos Group Project

<https://eccentric-photos.herokuapp.com/>

- Multi - tenancy ecommerce website adapted from an existing codebase in 2 weeks
- Handled deployment, code-quality, photo download, cart and checking out, permissions, and UI/UX for non dashboard pages as team leader
- Implemented drag and drop photo upload service for store owners utilizing DropzoneJS, JQuery, and AJAX
- Project Goals: Multi-tenancy, authentication, brownfield development, agile, risk-taking

Tech Stack - Ruby on Rails, RSpec, Capybara and Capybara Webkit, PostgreSQL, Foundation, DropzoneJS, Heroku

#### Eccentric - Travel Group Project

<https://eccentric-travel.herokuapp.com>

- Ecommerce website selling fictional trips to space
- Handled deployment, UI/UX, API consumption, guest and registered user functionality, shopping cart and order functionality, and authentication
- Implemented the Stripe API for checking out, and the NASA "Image of the Day" API for a rotating landing page
- Project Goals: Ruby on Rails, user authentication, shopping cart, greenfield development

Tech Stack - Ruby on Rails, Stripe API, Nasa API, RSpec, Capybara, PostgreSQL, Foundation, Heroku

### WORK EXPERIENCE

#### TYR Sport

June 2013 - January 2016

- Managed TYR marketing efforts in over 100 sportswear accounts including big box retailers such as Dicks Sporting Goods, The Sports Authority, and Amazon.com
- Integrated systems to streamline marketing deliverables to aforementioned accounts
- Worked as a liaison, collaborator and manager between sales and creative to deliver marketing to partners and sponsors
